- Lk 12:50-52

20th Sunday of Ordinary Time

During my baseball career, my best coach often said, "You shouldn't be worried if I yell at you. Be worried if I don't. If I stop pushing you, it means I don't think you have any more potential." He demanded a lot, and I knew it meant he saw that I could be something special on the baseball field.

Jesus says some demanding words to us this week. **"Do you think I have come to establish peace on the earth?"** he asks, **"No, tell you, but rather division"** (Luke 12:51). He wants you and me—in fact, all the earth—to participate in the luminous glory of God. That's why he speaks of himself as a divine arsonist. Divine fire is like a good coach: it demands the removal of all that obstructs the achievement of the lofty goal.

How is your life demanding right now? That inconvenient family situation, the unfair boss at work, the kids who reject their parents' wishes, the nagging health issue? Maybe things would be more peaceful devoid of these seemingly arbitrary difficulties. But for us who believe in the one who comes to set the earth of fire, we should be much more worried if he stops demanding so much from us. In fact, let's thank him for it. He sees how glorious we can become.

Father John Muir

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Jesus tells us that he has come to set fire to the earth. What can we give him as kindling? Let us look into our souls and see where the fire of Christ can be ignited, and pray that our souls may be consumed by its life-giving flames.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Set the Earth on Fire

My wife can get so invested in a sporting event where one of her favorite teams is playing that she sometimes must leave the room due to the stress. That is heavy-duty investment! I remember her on the sidelines for our son's soccer games or our daughter's lacrosse games. Her emotions were intense, and she cheered loudly for her children. She never yelled at a referee because it wasn't about them. It was about wanting to see her children, or her favorite team, achieve something great. Her passion was fueled by love and her connectedness to something or someone.

When we look at our Church, we need to see greater passion. Sometimes that passion is there, but many times, we approach our discipleship as just another aspect of who we have become. It needs to be more than that. As we call ourselves Christian, we need to “put on Christ” so that a world in need sees not us, but Jesus. By being serious about our discipleship and living as transformed Everyday Stewards, we bear witness to the power of Jesus Christ.

Jesus said in Luke 12, “*I have come to set the earth on fire.*” Those words sound pretty emotional to me! If we are to be like him, then we need to set the earth on fire. We need to be bold and proclaim the Good News without apology. By our actions of love and justice, we need to show the world that with the Body of Christ on earth, it is not business as usual. Surely our emotions about these things should trump the emotions we have about a sporting event. We need to ask ourselves what truly sets *us* on fire.

"Do you think I have come to give you peace on Earth? No, I tell you, but rather division." LUKE 12:51

Many of us like to play it safe, not cause waves with our family and friends, especially when it comes to politics and religion. We don't want to cause any turmoil. However, many times this is at the expense of the truth. The truth being Jesus Christ. Too many people are misguided because they rely on their own limited human ability to reason and are not allowing faith in God to guide them. Form your conscience; take a stance for life, marriage, and religious liberty.

DEVOTIONS, *EXPLAINED!* – CONNECT WITH TRADITION AND GROW YOUR FAITH

Gregorian Chant, *Explained!*

Gregorian chant is an ancient form of sacred music used in liturgical worship and prayer. Defined by a monophonic (meaning a single melody without harmony or chords), unaccompanied song, this type of chant focuses the singer's mind on the content of the prayer being sung, which makes it uniquely suited for use in the Mass.

Dating to the first millennium, it derives its name from Pope St. Gregory the Great, though scholarship is unclear on when exactly this type of chant originated. Prior to the Second Vatican Council, it was standard to use Gregorian chant in the Roman Rite Mass. *Sacrosanctum Concilium*, the Constitution on Divine Worship promulgated by Pope Paul VI in 1963, asserts that Gregorian chant is "specially suited to the Roman liturgy...(and) should be given pride of place in liturgical services."

WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

Queenship of Mary

Question:

Why do we have a feast for the Queenship of Mary?

Answer:

For many of us, the language of kings and queens may seem like they belong to history or a medieval movie. Royalty have absolute authority over a kingdom and their subjects, a concept that is foreign to many of us today. While Jesus doesn't rule a political kingdom, we honor and recognize him as the King of Kings, Lord of Heaven and Earth. To God alone belongs absolute authority over all of existence.

We may think of queens as the spouse of the king, but there is another key relationship: the king's mother. In Biblical history, we see instances where the mother of the king is given due as a queen herself, complete with a throne! Mary's guiding influence over her Son is seen most notably in the Wedding Feast at Cana. Mary is not Queen on her own merit. She is "full of grace" and "blessed" in "all ages" because of the reign of her Son.

"Have you tithed your estate in your will?"

What are common types of planned gifts? Bequests are by far the most common type of planned gift because they're easy to create. Beneficiary designations on life insurance policies and unused retirement assets are also common. Legacy giving makes an impact for decades to come and creates **meaningful ways to engage and help** your Parish, enriching your relationships over time. It can provide a new way for members to demonstrate their commitment to Christ and their church community. An avenue for celebrating a families' deep connections to the Parish through named endowments, buildings, and programs funded by their gifts. Please consider giving to your Parish in this manner.

(PRACTICING) CATHOLIC – BENEATH THE SURFACE

By Colleen Jurkiewicz Dorman

Mini reflection: If we let Christ set fire to our lives, what would that fire burn away? What dead and festering undergrowth in our souls would be consumed by the flames? What promise of future holiness would sprout from beneath the ashes?

The Fire

This past week I have been reading a biography of St. Francis of Assisi. I admit I didn't know much about Francis going into the book, but I always had this image of him as a hippie — an easygoing nature-lover who sang about peace and let animals climb on him.

I'm not sure where that caricature of Francis came from, but since I've been reading this book I've come to see that it's not true at all. He was a lover of nature, yes. A poet who sang of God's peace, yes. And I'm sure he let a few animals climb on him from time to time (he did live in a hut in the woods).

But St. Francis of Assisi wasn't the lost fourth member of Peter, Paul and Mary. He was a man on fire. He was a man burning.

Francis walked around barefoot and slept on the ground. He abandoned a life of wealth to embrace the material poverty that Christ experienced. He embarrassed his family and they disowned him. When his father would encounter Francis in the streets of Assisi, he would curse him.

Sometimes we get this idea that Christianity is a comfortable, cozy thing. We give our lives to Christ, and we expect to feel instantly satisfied, happy, safe and warm. But the saints knew better.

The saints knew that Christ had not come to wrap us in a warm blanket. Christ has come to set us on fire. And though fire is often seen as a sign of death and destruction, it is also the precursor of new life.

Think of a field of native plants and how it benefits so richly from a controlled burn — an action that clears away detritus and releases nutrients back into the soil.

If we let Christ set fire to our lives, what would that fire burn away? What dead and festering undergrowth in our souls would be consumed by the flames? What promise of future holiness would sprout from beneath the ashes?
